INTRODUCTION

**Has been prepared and summarised based on the
traditional astrology method**

3rd Bhava and information technology field

As to impoverished men this present world is not;
The “Graceless” in you World have neither part nor
lot.

(Kural 247. Couplet explanation)

The past generation got accustomed to a life style
with no intension of causing damage to nature and
the people around.

But the present generation keep in mind that moneyless people find no existence in this world and aim at only amassing wealth by burying themselves in Multi National Companies and information Technology concerns. Cell phone hazard has occupied their lives predominantly and they even forget their kith and kin.

Initiation of T.V. made us forget 50% of the relationship established with people and the rest gone after introduction of Cell Phone. Day by day we lose our lives based on Nature; where goes the World? God only knows.

Nothing exists for ever when against nature and gradually life gets destroyed by nature itself. New things invented destroy the beauty and usage of the old. Radio, pager, floppy disk, old cell phones, hard disks in circular forms (CD), old hand printer technology, audiotapes, videotapes, all such old things find place in Museum only these days.

Change is inevitable and it remains unchanged. Today science advancement has radically changed and the transition is quite happening. This havoc is liable to destroy the living organism.

With example once the tall and huge dinosaurs got decayed and became extinct due to this change of universe.

The electromagnetic waves that emerge out from cell phones become hazardous to mankind and animals.

Sparrows once lived happily have become disappearing due to sound works caused by high towers and antenna. No birds are found chirping on the trees anywhere.

When a man cannot withstand the hot sunlight, how long the living species can bear with this new technological devices. I.T. has made us lose the glory of life.
